

Prompt:

Crea una guía de lectura en inglés para el vídeo del siguiente enlace [<https://youtu.be/0zxQRHJJuXU?si=vGP4EWnFujAM406O>] de [Martin Luther King Jr.].

La guía debe incluir:

1. Un resumen en inglés del texto adaptado al nivel [intermedio].
2. Un glosario en inglés con 10 palabras clave del texto, incluyendo definiciones en inglés y ejemplos de uso.
3. Una lista en inglés de 5 preguntas abiertas para discutir los temas principales y la opinión del autor.

Response:

### Reading Guide for Martin Luther King Jr.'s Speech

#### #### 1. Summary of the Speech (Intermediate Level)

In this powerful speech, Martin Luther King Jr. talks about justice, equality, and the fight for civil rights in America. He emphasizes the importance of peaceful protest and unity among people of all races. King shares his dream of a world where everyone is judged by their character and not by their skin color. He believes in hope, freedom, and the possibility of a better future for all. His message inspires people to work together to overcome hatred and injustice.

#### #### 2. Glossary of Key Words

##### 1. Equality

- Definition: The state of being equal, especially in status, rights, or opportunities.
- Example: "The protesters demanded equality for all citizens, regardless of their race."

##### 2. Justice

- Definition: Fair treatment and behavior according to the law or what is morally right.
- Example: "Martin Luther King Jr. fought for justice for African Americans during the Civil Rights Movement."

### 3. Freedom

- Definition: The power or right to act, speak, or think as one wants without hindrance.
- Example: "They marched for the freedom to live without discrimination."

### 4. Character

- Definition: The qualities or features that make a person unique, especially their moral and ethical nature.
- Example: "A person's character should be more important than their appearance."

### 5. Protest

- Definition: An organized public demonstration expressing strong objection to policies or events.
- Example: "The peaceful protest attracted thousands of supporters."

### 6. Injustice

- Definition: Lack of fairness or justice.
- Example: "The speech highlighted the injustices faced by minorities."

### 7. Dream

- Definition: A hope or vision for the future.
- Example: "He shared his dream of a society free from prejudice."

### 8. Unity

- Definition: The state of being joined or working together as one.

- Example: "Unity is essential to achieving social change."

## 9. Nonviolence

- Definition: The practice of using peaceful methods to bring about political or social change.
- Example: "King advocated for nonviolence in the civil rights struggle."

## 10. Discrimination

- Definition: Unfair treatment of people based on their race, age, gender, etc.
- Example: "Discrimination in schools was a major issue during the Civil Rights era."

## #### 3. Discussion Questions

1. What is Martin Luther King Jr.'s main message in this speech? How does he support it with examples or ideas?
2. Why does King emphasize peaceful protest over violent actions? Do you agree with this approach? Why or why not?
3. How does King's dream relate to issues of equality and justice today? Are there similarities or differences?
4. In what ways can individuals contribute to achieving the vision of unity and fairness King describes?
5. How does this speech inspire hope, and why do you think it has remained so influential over the years?
